We'll handle all negotiations to secure the best possible deal for you.

We'll take care of all the paperwork, including title transfers, escrow documents, and coordination with the seller

No upfront fees!

Don't sell on your own!

There are many risks with selling an airplane including

How We Market

At JS Aviation, our marketing plan is designed to maximize exposure for your aircraft and achieve the highest possible sale value.

Leveraging strong market outreach and extensive networking abilities, we connect with a wide range of potential buyers.

Our targeted advertising strategy ensures your aircraft receives optimal visibility across multiple platforms, reaching the right audience effectively.

By investing in strategic marketing initiatives, we not only showcase your aircraft prominently but also enhance its market appeal, ultimately driving a successful sale.

About Us

Established in early 2024, JS Aviation combines over eight years of collective experience in the aviation industry, driven by a team of passionate aviators and Kent State pilot graduates.

We specialize in facilitating the buying and selling of piston aircraft, ensuring that every client navigates the process with confidence and ease.

Our unwavering commitment to exceptional service, coupled with in-depth market knowledge, guarantees smooth and successful transactions.

Whether you're a seasoned pilot or a first-time buyer, our personalized approach and dedication to excellence make JS Aviation the trusted partner for all your piston aircraft needs. Let us help you soar to new heights.

JS Aviation - Testimonials

"JS Aviation has been great to work with in selling my airplane. Attentive, responsive, responsible. Couldn't ask for better."

- Warren Van Buren

"JS Aviation was beyond helpful and incredibly responsive. I would definitely recommend anyone in the market to work with them."

- Jason Childs
